*NOTE: Some of the benefits described in this section are not applicable to every plan in this booklet. When a benefit does not apply to all plans, the plans that do have the benefit are specifically noted. In addition to this booklet, you may also refer to your “Evidence of Coverage” for more details on the benefits covered under your plan or you can call Customer Service.*

### **THE MANY EXTRAS FROM WINDSOR MEDICARE EXTRA**

All Windsor Medicare Extra plans are developed with your health in mind. We work hard to include many benefits that make it easier and more affordable for you to be as healthy as possible. This section explains more about how to get the health care services available in your plan and it provides more information about some of the extra benefits available to you. Please refer to your “Evidence of Coverage” for more information about your plan benefits and services.

### **PHYSICIAN OF CHOICE (POC) FROM THE WINDSOR MEDICARE EXTRA NETWORK**

As a member of Windsor Medicare Extra, you receive quality care from health care providers in your area. To help coordinate your health care needs, choose a network provider (see below for more information about network providers) to be your POC. With a few exceptions, your POC may be almost any provider from our provider directory who you feel is primarily responsible for your care and treatment. For example, your POC may be a primary care physician who provides your routine care, a specialist physician who treats a particular condition you have, any provider who is associated with a medical clinic in our network, or a nurse practitioner. Choosing a POC does not mean this is the only medical doctor or health care provider you are allowed to see. You may choose to see any of the other primary care or specialist providers in our plan network at any time without a referral from your POC.

If there is a particular doctor or other type of provider you want to list as your POC, first make sure the individual is listed in the

provider directory. Since we continually add physicians to our network, you may also want to access the provider information on our website. You may also call Customer Service to ask about your provider or to get help in selecting a POC that is accepting new patients. You should choose a POC when you enroll by placing his/her name on your enrollment application. You may change your POC at any time by completing a POC request form or by calling Customer Service.

### **REFERRALS**

As a member of Windsor Medicare Extra, you are not required to get referrals for treatment by your POC or other network providers. You may choose to see any provider in our plan network at any time. To find out if a particular provider is in our plan network, consult your provider directory, search our website, or call Customer Service.

### **NETWORK PROVIDERS**

To receive coverage for medically necessary services, you must (in most instances) receive those services from Windsor Medicare Extra network providers. Network providers contract with us to provide health care services to Windsor Medicare Extra members and follow our plan rules. Our network providers are trained to handle all of your health care needs. You do not need a referral to seek care from specialists in the plan network. If you can't get the care you need from a network provider, your POC will work with Windsor Medicare Extra to request a referral to a non-network provider.

If you go to a non-network provider without preauthorization, you are responsible for paying any charges. Neither Windsor Medicare

# Section III

Extra nor Original Medicare will pay for these services. The only exceptions are:

- Emergency services
- Urgently needed services
- Out-of-area, renal-dialysis services

## CARE MANAGEMENT

If you are living with a serious illness and/or a chronic medical condition such as diabetes or a mental health condition, specially-trained nurses or other health care professionals may be assigned to help you manage your care. These individuals will partner with you to help with your health care needs. Assistance is typically provided through a care coordination program that includes telephone education and monitoring.

The Windsor Medicare Extra Care Management professionals are available by telephone at 1-800-316-2273 (TTY: 1-866-460-7617) and fax at 1-615-782-7822, Monday – Friday, 8 a.m. - 5 p.m. Central Time.

If you are a part of the Windsor Medicare Extra Care Management Program, you will receive periodic educational materials in the mail in addition to regular telephone calls. This communication between you and your Windsor Medicare Extra health care professional does not replace the care you receive from your doctor(s), but is in addition to that care.

## EMERGENCY CARE

Windsor Medicare Extra will cover you for emergency care anywhere! A “medical emergency” is when you believe your health is in serious danger. A medical emergency includes severe pain, a bad injury, a sudden illness, or a medical condition that quickly gets much worse.

If you are having a medical emergency, get medical help as soon as possible. Call 911 or go to the nearest hospital, physician’s office, or emergency facility. You do not need a referral or authorization. Windsor Medicare Extra will pay for all medically necessary emergency services. We do ask that you contact your POC as soon as possible so follow-up care can be provided.

Please make sure we know about your emergency because we need to be involved in following up on your care.

You or someone you designate should tell us about your emergency care by calling Customer Service within 48 hours.

## FORMULARY POLICY

Windsor Medicare Extra’s formulary is a list of prescription drugs included in your coverage. A committee of physicians chooses and approves the drugs on this formulary based on how safe and effective they are and how much they cost.

We may change our formulary during the year. Formulary changes may affect which drugs are covered and how much you pay when filling your prescription. The kinds of formulary changes we may make include:

- Adding or removing drugs from the formulary
- Adding prior authorizations, quantity limits, and/or step-therapy restrictions on a drug
- Moving a drug to a lower or higher tier

*NOTE: When a drug is removed from our formulary, every effort is made to notify all affected members at least 60 days before the change becomes effective.*

A Windsor Medicare Extra network provider should write or order your prescriptions. In addition, you must fill your prescriptions

## Section III

at Windsor Medicare Extra network pharmacies or through our mail-order pharmacy service. Some non-formulary and formulary drugs are covered only if your doctor gets approval from Windsor Medicare Extra before prescribing the drug (this is called “prior authorization”).

### HOW MUCH DO YOU PAY WHEN YOU FILL A PRESCRIPTION?

We want to help you manage your prescription-drug costs. The cost of your prescriptions will vary depending on the plan you select, the type of drug prescribed (generic or brand name), and whether you qualify for additional financial help.

To better understand the cost of prescription drugs, please see Section 2 of this booklet.

### OUTPATIENT PRESCRIPTION DRUG BENEFIT EXCLUSIONS AND LIMITATIONS

Certain categories of prescription drugs are specifically excluded from the prescription drug benefit. Listed below are some types of excluded drugs (this is not a complete list of all excluded drugs).

- Drugs used to treat anorexia, weight loss or weight gain
- Drugs used to promote fertilization
- Drugs used for cosmetic purposes or hair growth
- Prescription vitamins and mineral products except prenatal vitamins and fluoride preparations
- Non-prescription drugs (except for brand and generic forms of Prilosec OTC)
- Experimental drugs
- Drugs that must be purchased exclusively from the manufacturer as a condition of sale

- Barbiturates
- Benzodiazepines
- Treatment of sexual or erectile dysfunction

There are also certain prescription drugs that our formulary doesn’t cover, or that require pre-authorization. Please refer to your “Evidence of Coverage” or contact Customer Service for more information about the outpatient prescription drug benefit and any limitations that may apply.

### MEDICAL VISION BENEFITS

Windsor Medicare Extra covers all eye exams that diagnose and treat diseases and conditions of the eye, as covered by Medicare. For this type of medical care, you must see an eye care specialist physician (ophthalmologist) who is a network provider, but you do not need a referral. Do not see a provider listed in the Routine Vision section of the provider directory for these services.

Diabetic eye exams are considered medical eye exams, and you must see a network eye specialist (no referral necessary).

You are also covered for one pair of eyeglasses or contact lenses after each cataract surgery, as covered by Medicare. There is no copayment for Medicare-covered eye wear, but frame enhancements and lens enhancements are not covered.

### ROUTINE VISION BENEFITS

Your Windsor Medicare Extra plans offer routine vision benefits in addition to medical vision benefits. As a Windsor Medicare Extra member, you are covered for one routine eye exam (refraction) every year. You may pay a copayment for each routine eye exam. See Section 2 of this booklet for more details.

## Section III

When you need a routine eye exam, you can go to any network ophthalmologist listed in the specialist section of the provider directory who performs these services OR any network optometrist listed in the Routine Vision section of the provider directory, both without a referral. If your routine eye exam shows that you need other medical treatment or tests, you must see a network eye specialist (ophthalmologist).

The Windsor Medicare Extra Comp Plus Plan (HMO) also covers routine eye wear up to one pair of glasses (frames and lenses) or one pair of contacts every year up to the plan's dollar limit, which may be different depending on your plan. The costs of routine eye wear exceeding the plan's annual dollar limit are your responsibility. You must get your eye wear from a network provider listed in the Routine Vision section of the provider directory. Please see Section 2 of this booklet for more details.

### ROUTINE HEARING BENEFITS

As a member of the Windsor Medicare Extra Comp Plus Plan (HMO), you are covered for one routine hearing exam every year. You will pay a copayment for each routine hearing exam. Please see Section 2 of this booklet for more details.

### DENTAL BENEFITS

You may receive the following preventive dental services each year at no cost. You must receive all dental services from providers in the Windsor Medicare Extra network.

- 2 Oral exams
- 2 Cleanings
- 1 Set of bitewing X-rays
- 4 Fillings or extractions

### ALL SERVICES MUST BE RECEIVED FROM NETWORK

**PROVIDERS.** Please see Section 2 of this booklet for more details about your dental benefits or call Customer Service if you have questions.

### TRANSPORTATION

If you are a member of the Windsor Medicare Extra Comp Plus Plan (HMO) and you need medical care but have limited access to transportation, you can get transportation assistance. Whether you need help getting to your doctor, to a hospital, or even to the pharmacy, Windsor Medicare Extra can help. Scheduling your transportation needs is easy, just call Customer Service.

The number of trips is limited. Please refer to Section 2 of this booklet for more details, or call Customer Service if you have questions about this benefit.

### POST-CARE NUTRITIONAL THERAPY

If you have recently stayed in a hospital or had certain surgical procedures, you may qualify for Windsor Medicare Extra's home-delivery meal program. As long as you meet specific medical criteria, this benefit covers the home delivery of one meal per day, up to 100 meals annually at no cost to you.

This benefit requires prior authorization from Windsor Medicare Extra and a prescription from your doctor. Please review your "Evidence of Coverage" document to see if you qualify or call Customer Service for more information.

## Section III

### MEDICAL ALERT SYSTEM

As a member of Windsor Medicare Extra, you have access to a Medical Alert System. We want to help you feel more confident and secure while living alone. To do this, we offer a Medical Alert System benefit that can provide you access to help in emergency situations.

The medical alert device features a medical alarm button that instantly connects you to the 24-hour monitoring center in case of emergency.

In addition, you can set up an emergency notification plan to inform family or caregivers of your emergency. To qualify for this benefit, you must meet one of these criteria:

- You live alone, spend part of the day by yourself, or live with a family member that is unable to respond to an urgent situation;
- You have concerns about your balance or falling;
- You have a medical condition for which urgent care might be required such as heart disease, lung disease, diabetes, seizures, or severe arthritis (in addition to other medical conditions not listed).

Please call Customer Service for more information about this benefit.

### OVER-THE-COUNTER (OTC) NON-PRESCRIPTION DRUG BENEFIT

Each quarter Windsor Medicare Extra will provide you with a benefit to purchase qualifying over-the-counter (OTC) non-prescription drugs and health related products. This enables you to buy the items you need everyday, without the hassles. You can use this benefit for items like pain pills, denture care products, cold medicines, smoking cessation products and so much more.

When you join the plan, you will receive an OTC health and wellness product catalog plus an order form in the mail. You may order your products via the mail, or you can order by telephone or the Internet. Complete ordering instructions will be provided when you receive your catalog.

The products available to you are determined by CMS. You may review a complete list of covered OTC products on the web at [www.WindsorExtra.com/otc](http://www.WindsorExtra.com/otc).

Please see Section 2 of this booklet for more details about your dental benefits or call Customer Service if you have questions.

### OUR GOALS FOR YOUR HEALTH

You also have access to extra benefits that support your overall health and well-being. If you have any questions or concerns about your plan or your benefits, please call Customer Service for assistance.

## ADDITIONAL INFORMATION FOR MEMBERS WHO HAVE MEDICARE AND MEDICAID

If you qualify for both Medicare and Medicaid, you are called a dual eligible. This means that you may receive healthcare benefits under both the federal Medicare program and your state's Medicaid program. The Medicare benefits you are eligible to receive as a member of Windsor Medicare Extra are located in Section 2 and Section 3 of this booklet.

In addition to Medicare, there are different types of benefits you may also be eligible to receive from Medicaid based on your income and resources. You may be eligible for full Medicaid healthcare benefits, Medicaid may pay your Medicare Part A and/or Part B premiums, and Medicaid may pay for some of the costs when you receive healthcare services under Medicare so that you do not have to pay anything. There are several different Medicaid benefit categories and each one has different types of Medicaid benefits. The state of Mississippi and Windsor Medicare Extra have agreed to work together to cover certain healthcare services for Medicaid members who are in the Medicaid categories listed below:

- FBDE (Full Benefit Dual Eligible)
- QMB (Qualified Medicare Beneficiary)

**If you qualify for one of these categories, you will pay \$0 for the Medicare-covered services listed in Sections 2 and 3 of this booklet, except for the costs of Part D prescription drugs. The amounts you pay for Part D prescription drugs depend on your level of help from the federal government, not from Medicaid.**

The chart below tells you about **some** of the healthcare benefits that are covered by both Windsor Medicare Extra and your state's Medicaid program if you qualify for full Medicaid benefits. This

chart **does not list all of your Medicaid benefits or tell you whether Medicaid will pay your Medicare Part A or B premiums** so you should refer to your Medicaid information for a full listing. As long as you are a member of our plan, you should not receive any bills from your healthcare provider for any Medicare-covered healthcare services you receive. If you receive a bill for a Medicare-covered service, you should not pay it until you talk to us. If you have questions about your Medicaid benefits you should contact your state's Medicaid agency.

Windsor Medicare Extra does not determine whether you are eligible for Medicaid benefits in your state. If you don't know if you are eligible for Medicaid or if you don't know which Medicaid benefit category you are in, you should contact your state Medicaid agency. Your Medicaid benefits may change during the year depending on your income and resources but as long as you are a member of our plan, you will be eligible to receive all of the services listed in Sections 2 and 3 of this booklet whether you are eligible for Medicaid or not.
