Zyflo Discontinuation Summary

Zyflo® will remain available through pharmacies and wholesalers until supplies are exhausted due to the commercial launch of Zyflo CR™. The Windsor Pharmacy Department determined the members that had filled a Zyflo® prescription within the last 120 days. On March 31, 2008 the Windsor Pharmacy Department mailed a letter to the member explaining that once supplies are exhausted, Zyflo® will no longer be available.

INFORMATION**

March 31, 2008

Dear Member,

This letter is to inform you that Clinical Therapeutics is voluntarily discontinuing Zyflo® due to the release of Zyflo CR™.

Our records show you may have used this product in the past 120 days. If so, please be aware that once the wholesaler supplies are exhausted, Zyflo® will no longer be available.

Product Description: Zyflo®
NDC Number: 68734-0700-10

Please contact Clinical Therapeutics at 1-800-918-8899 for additional instructions and/or further information.

As always, our Member Service department is here to help you at 1-800-316-2273 or 615-782-7878, should you have any questions.

Thank you,

Windsor Medicare Extra
Pharmacy Department
